## DESCRIPTION

A modern individual detached house constructed of Michelmersh brick and weatherboard clad elevations beneath a tiled roof. The accommodation comprises entrance hall, reception hall with cloakroom, living room with log burning stove, study/family room, conservatory and an open plan kitchen/breakfast room with adjoining dining/sitting area, as well as a separate utility room. To the first floor there are four bedrooms, two with en suite facilities, and a family bathroom. The property has been built to a high specification with underfloor heating throughout, excellent insulation including 140mm wall cavities, multi-layer insulation to rafters with 250mm rock wool between joists and top quality windows and doors. There is also MRHV system throughout the property and solar electric panels are connected to the grid on a feed in tariff system. In addition there is also a rainwater system which supplies the cloakroom toilet, washing machine and outside taps, which has an automatic mains water override in dry weather.

## LOCATION

The property is situated in the village of Broughton which offers everyday amenities including a community post office/shop/café, doctors' surgery, village hall, church and a primary school. Situated on the Clarendon Way footpath, there is excellent walking in the surrounding countryside and on the renowned Broughton Down. The picturesque town of Stockbridge is about 4 miles away and provides a range of shops, hotels, restaurants, churches as well as primary and secondary schools. The cathedral cities of Winchester and Salisbury are 12 and 13 miles distant respectively. There is convenient access to London and the West Country by road (M3 and A303) and rail, with main line stations at Grateley and Winchester.

**SCHOOLING AND RECREATION** There is excellent schooling (private and state) in the area in addition to the primary school in Broughton. Stockbridge has primary and
