DESCRIPTION

An end of terrace Grade II Listed period cottage (one of just four) attractively constructed of cob elevations with exposed flint plinths beneath a slate roof. The well-presented accommodation comprises a spacious dual aspect double reception room with brick fireplace and log burning stove to one end with oak flooring throughout, a separate kitchen with oak fronted units and quarry tiled flooring. To the first floor there is a landing, a good size double bedroom and modern bathroom. The property benefits from a corner position with front, rear and side garden areas. There is off-road parking for two vehicles but this could potentially be extended to accommodate further vehicles, if required.

LOCATION

The property is situated in a quiet Close within the popular village of King's Somborne which offers everyday facilities including a Post Office/store, primary school, church and public house. The picturesque town of Stockbridge, traversed by the River Test, is just three minutes away to north and offers a variety of shops, Post Office, hotels and public houses, coffee shops/restaurants, churches, a doctors' surgery, primary and secondary schools. The abbey town of Romsey is approximately seven miles to the south, and the cathedral cities of Salisbury and Winchester are both within a half hour drive. There are also excellent road links to London and the West Country via the M3 and A303 and also to the South Coast.
