DESCRIPTION

This modern detached family house was designed by the current owners and built in 1971, remaining in the same family ever since, later extended and carefully maintained, with the benefit of a new roof (including battens, felt and tiles) replaced in July 2025; the accommodation is versatile and offers scope for a new owner to update and style to their taste, comprising a reception hall with cloakroom, living room opening into a garden room, family room leading through to a study, and a kitchen with adjacent dining room and utility that could readily be reconfigured into a spacious open-plan live-in kitchen, whilst upstairs there is a principal bedroom with large en suite, three further double bedrooms and a family shower room, with the house enjoying a west-facing rear garden, generous driveway parking, detached double garage and, from the front-facing first floor windows, views over parkland towards a lake and the River Test, all set within the ever-popular village of Longparish with its useful amenities, beautiful walks and well-regarded primary school.

LOCATION

The property is located in the highly sought-after village of Longparish, which offers a shop/post office, primary school, playing field, church, community-run public house with restaurant, second pub, bus service and attractive riverside walks. The well-regarded Farleigh School is just a 12-minute drive away, with Marlborough College around 40 minutes. The nearby town of Whitchurch (6 miles) has a mainline railway station providing fast services to London Waterloo in about 70 minutes, while Andover is 5 miles to the west and the cathedral city of Winchester, Southampton and Newbury are all within a 15–25 minute drive, each offering a comprehensive range of shopping, educational and leisure facilities. The A303 is also close at hand, giving convenient access to London via the M3, the West Country and the North and South Coasts via the A34.
