DESCRIPTION

An attractive modern detached house set within an exclusive development of five individual homes, positioned back from the road on the edge of this popular village. Built by a renowned local developer known for sympathetic traditional designs throughout the Test Valley, the property features colour washed smooth rendered elevations beneath a clay tile roof with cast iron guttering and aluminium faced double glazed windows. The beautifully presented accommodation has been thoughtfully designed to reflect the character of a period home, with curved window reveals and door openings, and mainly solid oak panel doors finished with decorative iron hinges and latches. The ground floor comprises a welcoming hall, cloakroom, and a living room with fireplace, log burner, and picture window, alongside a spacious open plan recently replaced kitchen/breakfast room with dining area wide glazing, including a central door that opens onto the main deck and rear garden while enjoying valley views. The first floor offers a principal bedroom with walk in wardrobe and travertine tiled en suite, two further double bedrooms, and a family bathroom, all benefitting from even more impressive elevated views. A particular feature of the property is the unique lower ground floor, which includes windows and some natural light, providing a large L shaped living space currently used as a cinema and gym, leading to a well lit study or fourth bedroom, along with a separate utility and plant room. The front of the house provides ample parking, while the rear garden is ideal for entertaining, with a variety of seating areas, a small lawn, borders, and a garden store.

LOCATION

The property is situated in the sought after village of Chilbolton which has a post office/store, church, village hall and public house. A second public house The Mayfly sits on the banks of the River Test. There are many excellent walks to West down and Chilbolton Common – a Designated Area of Special Scientific Interest and a renowned local beauty spot. There is a reputable primary school in the neighbouring village of Wherwell, approximately 1½ miles away, and the picturesque town of Stockbridge, some four miles distant. Andover, also four miles away, offers a comprehensive range of shopping, educational and leisure facilities, as well as a mainline railway station providing fast services to Waterloo. The cathedral cities of Winchester and Salisbury are about a 15 and 25 minute drive away respectively, and the A303 is close at hand allowing convenient access to London and the West Country.
