DESCRIPTION

Jamaica Farm is an exclusive courtyard development of sympathetically converted period farm buildings, set in a rural location on the edge of St Mary Bourne and enjoying the character of its original agricultural heritage alongside attractive countryside surroundings. Number 8 occupies an enviable position on the edge of the development and is attractively constructed of whitewashed, mainly cob elevations beneath a slate roof. The well presented accommodation includes a good sized open plan sitting/dining room with fireplace and log burning stove, a separate garden room, fitted kitchen, small utility room and adjoining ground floor cloakroom. The first floor provides a characterful and well proportioned main bedroom, two further bedrooms and a bathroom with shower. A particular feature of the property is the private, southerly facing garden, which has been attractively landscaped and is predominantly level, with a terrace immediately behind the house and a larger split level terrace and raised deck along the rear boundary from where fabulous open views are enjoyed over the adjoining farmland. Despite its rural setting, the Bourne Valley Inn can be reached on foot via a footpath across the fields, providing an excellent local pub, while the village of St Mary Bourne offers a further highly regarded pub, a range of everyday amenities and a vibrant community. Jamaica Farm itself also benefits from a friendly and welcoming micro community that is greatly appreciated by its residents.

LOCATION

The property rurally located on the northern outskirts of St Mary Bourne. A footpath can be taken down to the Bourne Valley Inn. The village, which is renowned for its many period houses and cottages and the surrounding undulating countryside, has a primary school, doctor's surgery, church, modern village hall, a Post Office and shop, as well as two public houses and recreation ground with cricket pitch. The nearby towns of Andover (about five miles distant) and Winchester and Newbury offer fast mainline rail services to Waterloo and Paddington respectively, together with a comprehensive range of shopping, educational and leisure facilities. An excellent rail service to Waterloo is also available from Whitchurch, about three miles distant. The cathedral city of Winchester is approximately a twenty minute drive away. The A34 and A303 roads and M3 and M4 motorways are all within easy reach.

OUTSIDE

Immediately off the village lane there is a small, grassed area and tarmac hardstanding providing a useful parking space. Beside the gable end wall of the property is an external oil-fired boiler in a small timber lean-to. A whitewashed gate gives access directly into the rear garden. To the front side of the property is an attractive, tall, brick and flint banded wall. A wood panelled door provides access through this wall to a sandstone path with wide shingle borders leading to the front entrance and continuing on through the courtyard development of Jamaica Farm, to extended parking and the car port. This parking and car port can also be accessed via a vehicular approach on the other side of the courtyard development.

Car Port

A central position in a short line of timber frame carports beneath a slate roof with timber bike store to the rear providing ideal storage. The current owners have installed and will leave high quality stretched fabric walls that are sun and weather resistant and enclose the carport from the elements. Communal bin store located at the end of the car ports.

Main Rear Garden

Split level sandstone terrace extends to the rear of the property and outside the garden room, leading onto a good-sized level lawn dissected by a narrow gravel path with well stocked herbaceous borders. Complete privacy is enjoyed due to high privet hedging to both side boundaries. Timber garden shed/bike store.

Rear Terrace Garden

Accessed via an arch covered in honeysuckle. This rear section is a particular and salient feature of the property comprising a raised decked area part sheltered by woven hazel panels and a lower terrace with a small lawn beyond providing a wonderful vantage point to enjoy stunning views over a large tree lined arable field with constantly changing vista, an abundance of wildlife, countless birds including owls, deer, pheasants and more. Power to double socket (fully fused).
